Note:					
The price of galvanized steel sheet is 950 US dollars / ton. The price of galvanized steel sheet or other raw materials fluctuates by more than 5%, and the price will change accordingly.					
1> The exchange rate is target at 6.35RMB to 1 USD. If the rate changes \geq 2%, the price will change accordingly.					
2> Term of delivery: FOB Tianjin					
3> Lead time of production: 15-20 days after receiving downpayment and products requirement confirmation.					
4> Term of payment: TT 30% before production and TT70% before shipment or LC at sight.					
5> Guarantee: 12 months after delivery from Chinese port.

Note:

The price of galvanized steel sheet is 950 US dollars / ton. The price of galvanized steel sheet or other raw materials fluctuates by more than 5%, and the price will change accordingly.

1> The exchange rate is target at 6.35RMB to 1 USD. If the rate changes \cong 2%, the price will change accordingly.

2> Term of delivery: FOB Tianjin

3> Lead time of production: 15-20 days after receiving downpayment and products requirement confirmation.

4> Term of payment: TT 30% before production and TT70% before shipment or LC at sight.

5> Guarantee: 12 months after delivery from Chinese port.
